

Montana Naturist Organization

General Donation Form

I like the idea of healthy social nudism, but simply do not feel it is the right time for me or I'm not in the right circumstances to participate. However, I would like to support the idea and help promote nudism. Maybe in the future I will be able to participate.

Of the several organizations listed, whose goal is to provide opportunities and promote responsible, respectful, healthy nude activities, and educational literature I would like to donate to the one selected below. I have enclosed a check or money order in the amount indicated. **[Please use a separate form for each donation.]**

I thank you for all you do to promote and protect our freedom to participate in this healthy recreation.
